CICATRICIAL ALOPECIA RESEARCH FOUNDATION

5th International Patient-Doctor Conference

Back Bay Hilton Hotel, Boston, MA, USA

Friday-Sunday, August 10-12, 2012

The Cicatricial Alopecia Research Foundation (CARF) and Drs. Lynne Goldberg and Doreen Karoll invite you and your family to attend a three-day educational conference to learn more about cicatricial alopecia.

Why patients, families, friends, physicians and nurses should attend:

- ❖ Learn more about the diagnoses and available treatments
- ❖ Discover the latest research breakthroughs for cicatricial alopecia
- ❖ Hear about cosmetic solutions
- ❖ Meet leading physicians and researchers in an informal setting
- ❖ Participate in small group discussions, meet new friends and get support
- ❖ Explore the wide variety of attractions in the Boston area
